About This Game

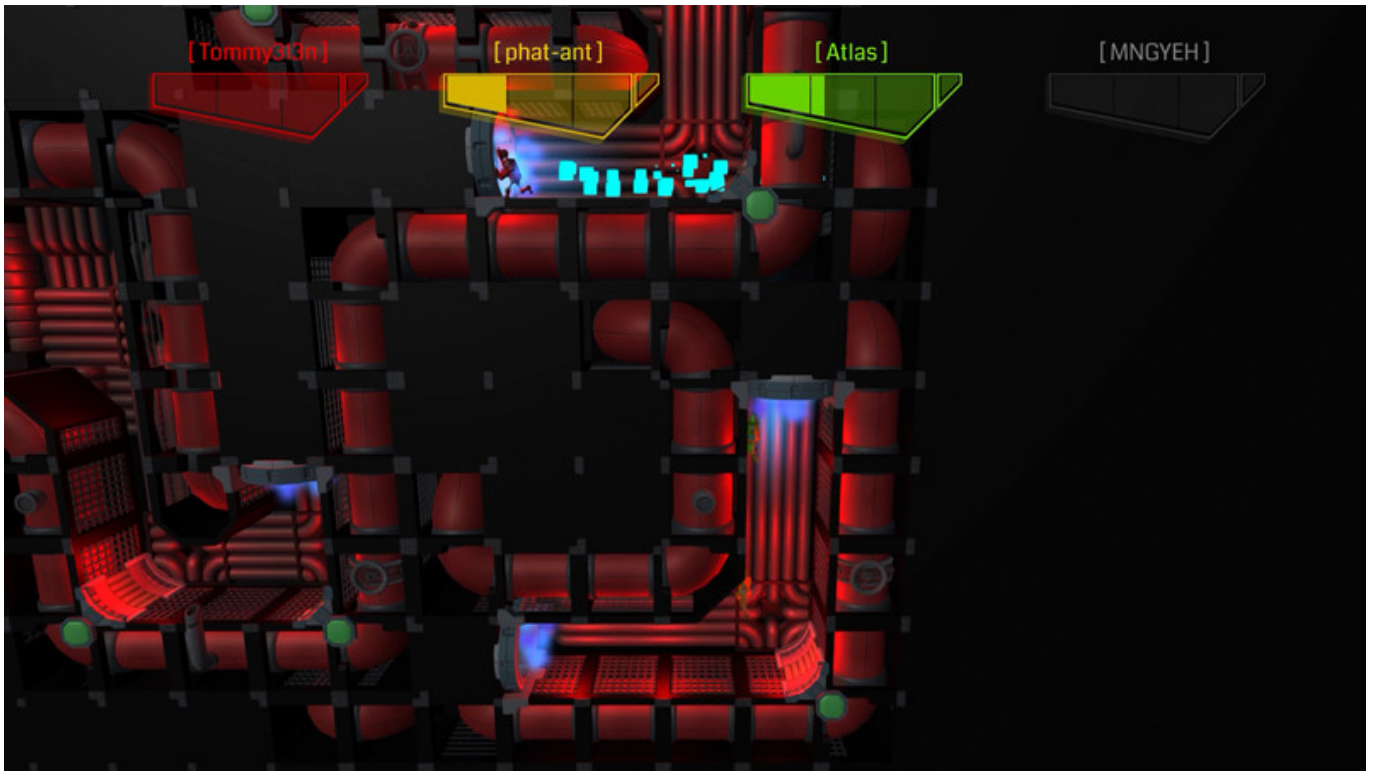

CYNK 3030 is a roguelike game in the stylistic of cyberpunk in which stray, wilted souls are living their days in mega-towers after the nuclear war. Take a role of a cyborg from the Survivor Guard Organisation, going down the dirty floors of the skyscraper, killing drones, meeting survivors, boosting your skills and costumes - feel the breath of the future, awaiting all of us.

Peculiarities:
Cyberpunk stylistic
Randomly generated levels
Re-gameability
Host of enemies and bosses
A lot of weapons
